

SAVE THE DATE

Preventing doping in professional and grassroots sport through education and investigation

24-25 January 2018, Sofia

Dear Colleagues,

The 2018 Bulgarian Presidency of the Council of the European Union would like you to save the date for the Anti-Doping Seminar '*Preventing doping in professional and grassroots sport through education and investigation*' to be held in Sofia on 24-25th January 2018.

The event will focus on doping prevention through education and investigation. It will bring together Ministers, government officials, representatives of international and anti-doping organisations and key stakeholders in the field.

An official invitation letter with further information and a detailed agenda shall be sent in due course. Please, note that the accommodation will be pre-booked. The Presidency will cover the costs of one expert from country (non-government).

I would like to invite you for official dinner on 24th January 2018, hosted by the Minister of Youth and Sports of Bulgaria.

I look forward to welcoming you in Sofia.

Yours sincerely,

Viktoria Slavkova

Future Chair of the EU Working Party on Sport
Bulgarian Ministry of Youth and Sports
